Application Advice

- Woodworking adhesive
- Packaging adhesive
- General purpose adhesives

Shipping and Storage

Store at an even temperature of between +5°C and +35°C avoiding frost and direct sunlight. Stir product before use.

Product should be used as soon as possible after opening. During processing, storage and transport, avoid any contact with metals (including non-ferrous metals) which are not protected against corrosion. Detailed information is available on request.

If stored according to these conditions and in the original unopened containers, the dispersion will be stable for 6 months following delivery.

Product Safety

Before handling, please read the Safety Data Sheet of this product for advice on safety, use and disposal.
