Coatings Synthomer

eMail: coatings@synthomer.com

Property	Typical Value	Unit	Method ¹
Concentration	min. 74	wt%	ID 1225 ²
Density (25°C)	1.57 – 1.58	g/cm3	ISO 15212-1
pH (25°C)	9 - 10		ASTM D1293

¹ internal method based upon the specified norm² internal method

Supplementary Information

- Formula: HCOOK
- Molecular Weight: 84.12
- Appearance: Clear to light yellow

Product Safety

Before handling, please read the Safety Data Sheet of this product for advice on safety, use and disposal.

Shelf life Potassium Formate 75%

Synthomer recommends storing Pofo 75% at 30°C (minimum above the freezing point mentioned in the SDS), protected from direct sunlight and the elements.

When stored as recommended, Synthomer advise that the product is stable for a minimum of 18 months from the batch production date.

Synthomer cannot be held responsible for the user storing the material correctly and Synthomer does not warrant shelf life nor assume any responsibility for such information.

Consult Product Safety Data Sheet for more handling precautions.
