Notice of the Annual General Meeting is set out at the end of this document.

An explanation of the business to be considered at the meeting is set out below.

The Directors' report and the audited financial statements for the year ended 31 December 2011 will be presented.

Re-election of Directors (Resolutions 4-8) and Election of Directors (Resolutions 9 and 10)

Resolutions 4 to 8 inclusive deal with the re-election of Directors in accordance with the requirements of the UK Corporate Governance Code.

Resolutions 4 and 5 deal with the re-election of Mr A M Whitfield and Mr D C Blackwood respectively who serve as Executive Directors of the Company. Resolutions 6 to 8 inclusive deal with the re-election of the Hon. A G Catto, Dato' Lee Hau Hian, and Mr J K Maiden respectively. All of them bring wide, varied and relevant business and boardroom experience gained from past and current involvement with a number of companies and areas of commerce. I can confirm that, following formal performance evaluation, the performance of each of them continues to be effective and to demonstrate commitment to the role of Non-executive Director of the Company.

Resolutions 9 and 10 deal with the election of Mr N A Johnson and Dr J Jansz who have joined the Board since the 2011 Annual General Meeting.

The following biographical details are provided in order for you to take an informed decision on the re-election/election of the above named.

Mr D C Blackwood joined the Board on 1 October 2007 and is Group Finance Director. Then for six years he was a Managing Director of Lazard Brothers heading up their capital markets business. In 1995 he left to concentrate on initiating and managing investments, setting up CairnSea Investments, of which he is Managing Director, with a particular focus on the provision of seed and development capital to private companies. Re-appointment of auditor and auditor's remuneration (Resolutions 11 and 12)

Resolution 11 relates to the re-appointment of Deloitte LLP as auditor and Resolution 12 authorises the Directors to set the auditor's remuneration.

In addition to the above routine business normally conducted at the Annual General Meeting it is proposed to seek shareholders' approval for the following:

Authority to allot shares (Resolution 13)

Resolution 13, which is proposed as an ordinary resolution, gives the Directors a new authority to allot shares under the provisions of the Articles of Association. This authority replaces all previous authorities. The maximum amount of the relevant securities that the Directors will have authority to allot is £11,329,358 which is one third of the nominal amount of the total issued share capital of the Company as at 23 March 2012. The Directors have no present intention of exercising this authority which will lapse on the earlier of the date of the 2013 Annual General Meeting and 30 June 2013.

Authority to disapply pre-emption rights (Resolution 14)

Under the Companies Act 2006 the Directors may only allot shares for cash otherwise than to existing shareholders pro rata to their holdings if so authorised by the shareholders in general meeting. Resolution 14, which is proposed as a Special Resolution, gives authority to the Directors to allot and issue ordinary shares which they will be authorised to allot, pursuant to the authority conferred by Resolution 13 for cash, as though the pre-emption rights contained in Section 561 of the Companies Act 2006 did not apply to such allotment and issue, in respect of issues in favour of ordinary shareholders and otherwise generally up to an aggregate nominal value of £1,699,403. This amount is equal to 5% of the nominal amount of the total issued share capital of the Company as at 23 March 2012.

Authority to purchase own shares (Resolution 15)

The effect of Resolution 15, which is proposed as a Special Resolution, if duly passed will be to renew the general authority of the Company to make market purchases of its own ordinary shares. The maximum number of ordinary shares which may be purchased is 33,988,076 (representing 10% of the Company's issued ordinary share capital as at 23 March 2012) at a minimum price of 10p and a maximum price of 105% of the average of the closing middle market quotations of the Company's ordinary shares as derived from the London Stock Exchange Daily Official List for the five business days immediately preceding the day on which such share is contracted to be purchased (exclusive of expenses).

The Directors have no specific intention of using this authority and the authority will only be exercised if the Directors believe that to do so would result in an increase in earnings per share and would be in the best interests of the Company's shareholders generally.

Holding of general meetings at 14 days' notice (Resolution 16)

Before the introduction of the Shareholders' Rights Regulations 2009 the minimum notice period permitted by the Companies Act 2006 for general meetings (other than AGMs) was 14 days. One of the amendments made to the Companies Act 2006 by the Shareholders' Rights Regulations was to increase the minimum notice period for general meetings of listed companies to 21 days, but with an ability for companies to reduce this period back to 14 days (other than for AGMs) provided that two conditions are met. The first condition is that the company offers a facility for shareholders to vote by electronic means. This condition is met if the company offers a facility, accessible to all shareholders, to appoint a proxy by means of a website. The second condition is that there is an annual resolution of shareholders approving the reduction of the minimum notice period from 21 days to 14 days. Your Board is therefore proposing Resolution 16 as a special resolution to approve 14 days as the minimum period of notice for all general meetings of the Company other than AGMs. The approval will be effective until the Company's next AGM, when it is intended that the approval be renewed. The Company will use this notice period when permitted to do so in accordance with the Companies Act 2006 and when the Directors consider that it is appropriate to do so.

Limit on Directors' fees (Resolution 17)

The Articles of Association currently provide that fees to Directors (that is, the fees paid to the Non-executive Directors and excluding remuneration paid to the Executive Directors, termed "ordinary remuneration" in the Articles of Association) should be limited to £500,000 per annum. This limit was approved by shareholders in 2006 since when the responsibilities of Non-executive Directors and the time they need to commit to fulfilling their role has continued to increase in line with the expanding requirements of corporate governance of public companies. Your Directors believe, therefore, that it is again an appropriate time to increase the maximum level of fees payable to Directors so that there is sufficient headroom to pay directors appropriately in the future for their time and effort in fulfilling their roles. It is therefore proposed that the maximum aggregate amount of directors' fees should be increased to £750,000 per annum and an Ordinary Resolution will be put to the Annual General Meeting for this purpose.

Voting arrangements

May I draw to your attention that the Company includes a "vote withheld" option on the Proxy Form in order to reflect clearly the views of those shareholders who wish to abstain from voting on a particular resolution. You should note however, that a "vote withheld" is not a vote in law and will not be counted in the calculation of the votes "For" or "Against" a resolution.

Meeting, action to be taken and available information

The Resolutions, to be proposed at the Annual General Meeting of the Company to be held on Thursday 17 May 2012, are set out in the Notice of Meeting at the end of this document. Your Directors believe that these proposals are in your best interests and those of the Company and recommend you to vote in favour of them. Your Directors intend to vote in favour of the resolutions in respect of their own beneficial holdings, which amount to 2,238,141 ordinary shares, representing 0.66% of the issued ordinary share capital.

To be valid any proxy form or other instrument appointing a proxy must be received by post or (during normal business hours only) by hand at Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol, BS99 6ZY or at the electronic address provided in the proxy form, in each case no later than 48 hours before the time appointed for holding the meeting or any adjourned meeting. The return of a completed proxy form, other such instrument or any CREST Proxy Instruction (as described in paragraph 9 of the notes to the Notice of Meeting) will not prevent a shareholder attending the Annual General Meeting and voting in person if he/she wishes to do so.

The terms of appointment and service contracts of the Directors will be available for inspection at the place of the Annual General Meeting noted above from 15 minutes before the Annual General Meeting until its end.

Yours faithfully
