These T&Cs together with any order accepted by Synthomer Austria GmbH with registered number FN 473382a ("Seller") in accordance with Clause 1.2 ("Order") forms the agreement ("Contract") between Seller and the person or entity ("Buyer") purchasing the goods ("Goods") and, if applicable, any technical services ancillary to the supply of Goods ("Services").

1. Basis of contract

- 1.1 Seller's quotations are non-binding invitations to Buyer to submit a binding offer. Buyer's order constitutes an offer to purchase Goods.
- 1.2 The Contract is concluded by Seller accepting such order either in writing or by delivery of the Goods, whichever occurs first ("Order Confirmation").
- 1.3 The Contract will be on these T&Cs to the exclusion of any other terms that Buyer purports to apply or incorporate or which are implied by trade, custom, practice or course of dealing even if Seller does not object to the application of Buyer's terms in each individual case.
- 1.4 Subject to Clauses 2.5 and 4.3, Buyer may not cancel, postpone or vary an Order except with Seller's written consent.

2. Prices and Payment

- 2.1 The price for the Goods will be the price as agreed in the Contract ("Price") and, unless otherwise agreed in writing, is exclusive of:
 - 2.1.1 Any costs of insurance, carriage and delivery of the Goods;
 - 2.1.2 Taxes (including VAT), import duties or levies (as applicable).
- 2.2 Where any sale of Goods would be eligible for exemption from VAT (or its equivalent), Seller shall apply such exemption. Buyer shall promptly provide all information reasonably requested by Seller in connection with evidencing its eligibility for exemption, including written proof of export. **If such information is not provided within 15 working days (in Austria) ("Business Days"), Seller shall charge VAT (or equivalent) in addition to the Price. Buyer shall indemnify Seller and its affiliates against any liabilities, damages, losses and/or costs arising in connection with any failure by Buyer to comply with its obligations under this clause and any VAT (or equivalent) assessments relating to the sale of the Goods including, but not limited to, penalties and interest for late payment.**
- 2.3 The charges for the Services (if any) will be included in the Price.
- 2.4 Seller reserves the right up to the actual delivery date to vary the Price, by written notification to Buyer, to take account of:
 - 2.4.1 any increase in labour, materials and other manufacturing costs, any increase in or new taxes and duties, any increase in rates of exchange; and/or
 - 2.4.2 any variation in the Specification (as defined in Clause 6.1.1) agreed by the parties after the conclusion of the Contract; and/or
 - 2.4.3 any change in delivery dates agreed by the parties after the conclusion of the Contract which results in an increase in the cost to Seller; and/or
 - 2.4.4 any extra expense resulting from Buyer's Delivery Information or failure to provide the Delivery Information (as defined in Clause 4.4) or any delay caused by Buyer.
- 2.5 Seller undertakes to proceed accordingly in the case of any cost decreases in Clauses 2.4.1. Buyer has the right to cancel any unfulfilled Orders (or part) to which a price increase as stated in Clauses 2.4.1 relates by giving written notice to that effect to Seller either within 2 Business Days of having been notified of the price increase or prior to the actual delivery of the Goods, whichever occurs first.
- 2.6 Invoices shall be paid by Buyer within 30 days following the invoice date in the currency specified on the invoice and in cleared funds.
- 2.7 All sums due by Buyer: (i) will become payable immediately upon termination of the Contract, unless Seller is responsible for the termination; and (ii) subject to Clause 2.10 in any event, must be paid in full without any deduction (including in respect of any bank fees), set-off, counterclaim or withholding (other than any deduction or withholding of tax as required by law, in which case Buyer shall pay such additional amount as shall be necessary to ensure Seller receives payment of the full invoice amount).
- 2.8 Where any sum owed by Buyer to Seller is overdue, or if after conclusion of the Contract it becomes apparent that the credit standing of Buyer has been impaired for whatever reason (e.g. if Buyer becomes Insolvent (as defined in Clause 5.7)), Seller may at its own discretion and under applicable statutory conditions (i) cancel or suspend all outstanding Orders, and/or (ii) withdraw from the Contract and recall Goods in transit; and/or (iii) withdraw any credit granted for deliveries already made and/or (iv) decline to make further deliveries except upon receipt of cash in advance or satisfactory security.
- 2.9 Seller reserves the right to charge interest on any invoice not paid on or before the due date, at the rate of 5% per annum. Further claims (in particular to default interest) of Seller shall remain unaffected.
- 2.10 Buyer is only entitled to rights of set-off or retention insofar as Buyer's claim has been finally determined by a court of law or is undisputed. In the event of Defaults (as defined in Clause 6.5) in the Goods delivered, the rights of Buyer shall remain unaffected.

3. Quantities

- 3.1 The quantity of the Goods will be as set out in the Order Confirmation.
- 3.2 **The weight or volume of the Goods is the weight or volume as ascertained by Seller which will be accepted by both parties as correct (unless proven otherwise). Seller will not be responsible for any weight loss during transit.**
- 3.3 Seller may deliver a deficiency of up to 10% without any liability whatsoever, save that the invoice value shall be adjusted accordingly so that Buyer only pays for the actual quantity dispatched. The same shall apply to the delivery of an excess of up to 10%.
- 3.4 Seller may deliver (and invoice) by instalments and each instalment will be deemed a separate Contract. Any delay in delivery or defect in an instalment shall not entitle Buyer to cancel any other instalment.

4. Delivery

- 4.1 Unless agreed otherwise in writing by the parties, all Goods are delivered FCA ("Free carrier" as defined in INCOTERMS 2020®) at the place specified in the Order Confirmation.
- 4.2 Any dates quoted for delivery of the Goods or performance of Services are approximate only, and time of delivery is not of the essence.
- 4.3 **In the event of delay in delivery, Buyer shall give written notice to Seller requiring the delivery to be made within 14 days. Subject to Clause 4.4, if Seller fails to fulfil the delivery within 14 days, Buyer shall be entitled to cancel the Order. Seller's sole liability and Buyer's remedy for such non-delivery shall be (a) refund of any sums which Buyer has paid for the undelivered Goods and (b) reimbursement of Buyer for the reasonable and proper external costs and expenses incurred by Buyer in obtaining replacement goods of similar description and quality at the lowest available market price, less the Price of the relevant Goods. Buyer's right to claim further damages under Clauses 8.3 remains unaffected.**
- 4.4 Seller shall not be liable for any delay in delivery of the Goods or Services where Buyer failed to provide written notice in accordance with Clause 4.3 or for any delay that is caused by: (i) a Force Majeure Event or (ii) Buyer's failure to provide Seller with adequate instructions, information, licences or authorisations to enable the Goods or Services to be supplied on time ("Delivery Information").
- 4.5 If Buyer refuses or fails to take delivery of the Goods when they are ready for delivery or to provide any Delivery Information to enable on time delivery, the Goods will be deemed to have been delivered by the due date and Seller may charge Buyer for all related costs and expenses (including for demurrage claims, wasted transport, storage and insurance). Under the statutory conditions, Seller may withdraw from the Contract and Seller may sell any of the Goods at the best price reasonably obtainable in the circumstances and charge Buyer for any shortfall below the Price of the Goods under the Contract.

- 4.6 If Seller's delivery note or package labelling states that the Packages in which the Goods are delivered are returnable to Seller, such Packages shall be returned in accordance with such instructions. If such Packages are not so returned they will be chargeable at replacement value and no credit will be due on Packages for which a charge have been made by Seller. "Packages" shall include bulk tankers, minibulks, flexis, crates, boxes or other containers and pallets.

- 4.7 The loading or filling of transport equipment and/or Packages which has been made available by Buyer shall take place at the risk of Buyer. Seller is entitled to refuse to load or to fill such Packages or equipment, if this does not comply, according to the judgement of Seller, with applicable legislation, rules and regulations.

5. Risk and Ownership

- 5.1 The risk in the Goods shall pass to Buyer at the time of delivery or deemed delivery under Clause 4.
- 5.2 The legal and beneficial ownership of the Goods shall remain with Seller until it has received in full and cleared funds all sums due to it in respect of the Goods.
- 5.3 Without prejudice to Clause 5.4, until ownership of the Goods has passed to Buyer, Buyer holds the Goods in trust for Seller and undertakes to:
 - 5.3.1 store the Goods (at no cost to Seller) separately from all other goods in such a way as they are clearly identified as the property of Seller; and
 - 5.3.2 not destroy, deface or obscure any identifying mark or packaging on or relating to the Goods; and
 - 5.3.3 maintain the Goods in satisfactory condition; and
 - 5.3.4 have the Goods insured for their full Price against all risks to the reasonable satisfaction of Seller, whenever requested by Seller produce a certificate of insurance to Seller and procure that any insurance proceeds received in respect of lost or damaged Goods are paid to Seller, to the extent required to satisfy the indebtedness of Buyer to Seller.
- 5.4 Buyer is entitled to use the Goods in the course of its regular business in its manufacturing process or sell the Goods notwithstanding that ownership in such Goods has not passed to it. For this case, Buyer hereby assigns all claims arising out of such resale, whether the Goods have been processed or not, to Seller. Notwithstanding Seller's right to claim direct payment the Buyer shall be entitled to receive the payment on the assigned claims. To this end, Seller agrees to not demand payment on the assigned claims to the extent Buyer complies with all its obligations for payment and does not become Insolvent within the meaning of Clause 5.7.
- 5.5 In case of breach of contract by Buyer, Seller shall be entitled to withdraw from the Contract in accordance with the statutory provisions and/or demand return of the Goods with immediate effect. This may in particular be the case if:
 - 5.5.1 payment under the Contract becomes overdue; or
 - 5.5.2 Buyer becomes Insolvent (as defined in Clause 5.7); or
 - 5.5.3 if Buyer encumbers or in any way charges any of the Goods; or
 - 5.5.4 if the Contract terminates for any reason for which Seller is not responsible.
 In which cases Seller will be entitled to issue Buyer with a credit note for all or any part of the Price paid by Buyer for those Goods together with taxes (including VAT) thereon.
- 5.6 Buyer grants Seller, its agents, employees and sub-contractors an irrevocable licence at any time during normal business hours to enter any premises where the Goods are in order to recover them when Buyer's right to possession and use has terminated.
- 5.7 In these T&Cs, "Insolvent" has the following meaning in relation to Buyer:
 - 5.7.1 it applies for the opening of insolvency proceedings or insolvency proceedings are opened in respect of Buyer's assets or the opening of such proceedings is rejected due to lack of assets; or
 - 5.7.2 it has any distraint, execution or other process levied or enforced on any of its property; or

 - 6.1.2 the Services will be provided using reasonable care and skill (the "Warranty").
- 6.2 All descriptions, illustrations, technical specifications (other than the Specification) and advertising issued by Seller or contained in Seller's catalogues or brochures are for the sole purpose of giving an approximate idea of the Goods represented by or described in them. They will not form part of the Contract and this is not a sale by sample.
- 6.3 Seller reserves the right to make any changes to the Specifications of the Goods which:
 - 6.3.1 are required to conform with any applicable safety, performance or other statutory or regulatory requirements; or
 - 6.3.2 do not materially alter the quality of the Goods, and Buyer will not be entitled to reject the Goods or to assert other warranty rights, by reason of such changes.

- 6.6 Any claim by Buyer on account of quality shall be decided by reference to control samples drawn at the time of manufacturing the relevant Goods and retained in Seller's laboratories. The results of the examination of such control samples shall be indicative in all respects in regard to such claim; Buyer remains entitled to provide other evidence of the Defect.
- 6.7 **Subject to the remainder of this Clause 6, if during the Warranty Period the Goods are proved not to comply with the Warranty, Seller will either, at its option, replace or repair such defective Goods or refund the Price of the defective Goods. Buyer's rights to claim damages under Clause 8.3 and/or under statutory conditions withdraw from the Contract or demand a reduction of the Price remain unaffected. Seller shall not be liable for the Goods' failure to comply with the Warranty and Buyer shall not be entitled to reject the Goods if:**
 - 6.8.1 **the relevant Defect was caused by damage in transit after delivery; or**
 - 6.8.2 **the Defect arises from wilful damage or negligence of Buyer, its employees, agents or sub-contractors ("Representatives"); or**
 - 6.8.3 **the relevant Defect was caused or exacerbated by Buyer's, or its Representatives', improper use, handling, alteration, maintenance, storage or failure to comply with instructions provided with, or given by Seller in relation to the Goods (if any); or**
 - 6.8.4 **the relevant Defect has not been notified to Seller in accordance with Clause 6.5; or**
 - 6.8.5 **Buyer (or its Representatives) makes further use of the relevant Goods after discovering the Defect.**
- 6.9 Any Goods which have been replaced will belong to Seller and Seller may require as a condition of any replacement or refund that the defective Goods are returned to Seller. Any replacement Goods will be eligible to replacement or refund under the terms specified in Clause 6.7 for the unexpired portion of the original Warranty Period. Any further liability of Seller shall be excluded.**

- 10.3 In the event of a Force Majeure Event continuing for a period of more than three (3) months, either party shall be entitled to cancel or suspend the whole or any part of any delivery, having given not less than 14 days' notice in writing to that effect to the other party.
- 10.4 Buyer will continue to pay the Price for any Goods it receives notwithstanding the occurrence of the Force Majeure Event.
- 11. Intellectual Property**
- 11.1 "IPR" means all patents, utility models, identification marks, trade marks, trade names, domain names, service marks, rights to prevent passing off, registered designs, design rights, copyrights, database rights, topography rights, confidential information for any of the aforementioned (including data, know-how and formulations) and any applications for any of the aforementioned and any similar right recognised from time to time with all rights of action for infringement in all countries in the world, together with all renewals and extensions.
- 11.2 No right or licence is granted to Buyer in respect of the IPR of Seller (or of any of its affiliates), except the right to use the Goods and Services in Buyer's ordinary course of business.
- 11.3 Buyer shall not analyse, attempt to modify or reverse-engineer or otherwise seek to determine the structure of any Goods without the prior written consent of Seller.
- 11.4 Buyer will not use Seller's name, logo, trade marks or other identification marks for the purposes of advertising or publicity without the prior written consent of Seller.
- 11.5 No guarantee or representation is given by Seller that the Goods or Services do not infringe the IPR of any person.

To the extent necessary Buyer hereby assigns to Seller with full title guarantee, all IPR created, composed, arranged or made in any other way whatsoever, carrying out the Instruction. Furthermore, Buyer waives in favour of Seller any so called moral-rights relating to the Instruction and undertakes to sign all documents and to do all things that may be necessary to record and perfect the transfer of the IPR contemplated in this Clause 11.6 and to assist Seller to file and prosecute all such copyright, design, patent and trade mark applications as may be required by Seller from time to time at its sole and absolute discretion and cost.

- 13.2 Seller may assign or otherwise transfer the rights and/or obligations under the Contract without Buyer's written consent.
- 14. Termination**
- 14.1 If a party commits a material breach of the Contract: (i) which cannot be remedied; or (ii) which can be remedied but it fails to remedy within 30 days of a written notice setting out the breach and requiring it to be remedied being given by the other party, the other party not in breach may terminate the Contract immediately by giving written notice to that effect to the party in breach. For the avoidance of doubt, a failure by Buyer to make any payment due to Seller under the Contract on or before the due date or the failure by Buyer to comply with its obligations under Clause 9 will constitute a material breach.
- 14.2 If it becomes apparent after the conclusion of the Contract (e.g. by filing for insolvency proceedings) that Buyer's financial capacity is at risk, Seller may terminate the Contract immediately by giving written notice to that effect to Buyer.
- 14.3 Seller will be entitled to suspend deliveries of Goods and/or performance of the Services due to occur following service of a notice specifying a breach under Clause 14.1, until either the breach is remedied (if applicable) or the Contract terminates, whichever occurs first.
- 14.4 If Buyer and Seller have entered into a written agreement, and no termination date is provided in such agreement, then Seller may terminate such agreement, with or without cause, upon reasonable advance written notice to Buyer, which in no event shall exceed thirty (30) days.
- 15. General**

- 15.2 The Contract constitutes the entire agreement between the parties and supersedes any prior agreement or arrangement in respect of its subject matter and neither party has entered into the Contract in reliance upon, and it will have no remedy in respect of, any representation, misrepresentation or statement (whether made by the other party or any other person) which is not expressly set out in the Contract.
- 15.3 Each party agrees that it is an independent contractor and is entering into the Contract as principal and not as agent for or for the benefit of any other person.
- 15.4 Any notice given in connection with the Contract must be in writing and must be delivered by hand or sent by post by registered mail with return receipt to the other party at its address as provided by it in writing or to its registered office.
