

Standard Terms and Clauses of Purchase for Synthomer (Portugal), S.A. ("T&Cs")

Rua Francisco Lyon de Castro 28
Mem Martins, 2725-397

These T&Cs, together with any written order ("**Order**") placed by Synthomer (Portugal), S.A. (registered number 508 204 9502) ("**Buyer**") form the agreement ("**Contract**") between Buyer and you ("**Seller**") providing the goods ("**Goods**") and/or services ("**Services**") as set out in the Order, together with any related documents and materials in any form or media developed by Seller ("**Deliverables**").

1. Basis of contract

- 1.1. The Order constitutes Buyer's offer to Seller to purchase the Goods and/or Services and upon its acceptance by Seller the Contract shall be formed. Acceptance by Seller shall be deemed to occur on the earlier of Seller issuing a written acknowledgement of the Order or Seller doing an act consistent with fulfilling the Order. Any terms whatsoever that may be proposed by Seller in accepting Buyer's Order (including any terms which Seller purports to apply in conjunction with an acknowledgement or confirmation of the Order, a quotation, a specification, a delivery note, invoice or similar document) shall be void and of no effect unless expressly agreed by Buyer in writing.
- 1.2. In the event of any inconsistency or conflict between these T&Cs and the Order, the terms of the Order will prevail.

2. Delivery

- 2.1. All Goods are delivered on a Delivered Duty Paid basis ("**DDP**" as defined in INCOTERMS® 2020), to the delivery address specified in the Order and on the Delivery Date during Buyer's normal hours of business or as instructed by Buyer. In this Contract, "**Delivery Date**" means the date(s) and/or times/timescales for delivery of the Goods and/or performance of the Services set out in the Order or as agreed in writing by the parties.
- 2.2. The Goods will be delivered by Seller properly packed and secured in such a manner as to reach their destination in good Clause.
- 2.3. Buyer will have no obligation to pay for or return packing cases, skids, pallets, drums, tanks, IBCs or other articles used for packing the Goods whether or not re-usable.
- 2.4. Time will be of the essence with regard to the Delivery Date. If Seller is unable to meet the Delivery Date, Seller must notify Buyer immediately in writing, stating the reason(s) for and the expected duration of the delay.
- 2.5. All Goods must be accompanied by an advice note stating Buyer's Order number and giving full particulars of the Goods supplied (including all operation and safety instructions, warning notices and other information as may be necessary for their proper and safe use, maintenance and repair) except when such Goods are sent directly to a third party in which case the advice note sent with the Goods should not show Seller's name or any pricing information. A copy of the advice note must be sent to Buyer on the day upon which the Goods are delivered at the latest.
- 2.6. Seller will not deliver the Goods by separate instalments or perform the Services in stages unless agreed in writing by Buyer. If Buyer does so agree, the Contract will be construed as a separate Contract in respect of each instalment or stage and Buyer will have the right, at its discretion, to:
 - 2.6.1. treat all the Contracts for the total Order as repudiated if Seller fails to deliver or perform any instalment or stage; and
 - 2.6.2. reject any or all of the instalments for the total Order if Buyer is entitled to reject any one instalment.
- 2.7. If Seller delivers more or less than the quantity of Goods ordered, and Buyer accepts such delivery (which it will not be obliged to do), a pro rata adjustment will be made to the invoice for the Goods to reflect the quantity of the Goods actually delivered and any related demurrage or waiting charges.
- 2.8. If for any reason Buyer is unable to accept delivery of the Goods at the time when the Goods are due and ready to be delivered in accordance with Clause 2 Seller will store the Goods, safeguard them and take all reasonable steps to prevent their deterioration until their actual delivery. Buyer will reimburse Seller for all related reasonable costs and expenses except to the extent that such failure or delay is caused by Seller's failure to comply with its obligations under the Contract.
- 2.9. Title and risk in the Goods shall pass to Buyer on completion of delivery.

3. Price and Payment

- 3.1. The price for the Goods and/or Services as set out in the Order ("**Price**") is:

- 4.1. The Order may only be cancelled, postponed or varied with Buyer's prior written consent.
- 4.2. Buyer reserves the right to cancel the Order at any time prior to delivery of the Goods or performance of the Services by giving Seller written notice to this effect. - 4.3. Buyer may at any time make changes in writing relating to the Order, including changes to the Specification, method of shipment, quantities, packing or time or place of delivery.
